(Stock Code: 8043)

PROFIT WARNING

This announcement is made by Atlinks Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that, based on a preliminary assessment of the latest unaudited consolidated management accounts of the Company for the six months ended 30 June 2019 and the information currently available to the Board, the Group is expected to record a significant increase in loss for the six months ended 30 June 2019 as compared to the same period in 2018. The incremental loss was mainly attributable to (i) the decrease in revenue derived from the home telephone segment in France and in other European countries, (ii) the gross profit was negatively impacted by depreciation in Euros against USD, and (iii) the negative impact driven by the fair value changes on derivative financial instruments.

The Company is currently in the process of finalising the interim results of the Group for the six months ended 30 June 2019. The information contained in this announcement is only based on a preliminary assessment by the management of the Company with reference to the information currently available including the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019, which have not been audited or reviewed by the Company’s independent auditors and the audit committee of the Company and may be subject to adjustment. The finalised unaudited consolidated interim results of the Group for the six months ended 30 June 2019 may be different from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group which is expected to be published on or around 9 August 2019.

Shareholders and potential investors of the Company should exercise caution when dealing in the securities of the Company.
